

# FULL SAIL IPA

**PRONOUNCED CITRUS FLAVOR, FULL MALTY BODY  
A TASTY, GOLD MEDAL WINNING BREW**

**This style originated in England, but thankfully our Northwest style IPA is imported from Hood River, Oregon. Our IPA is less ordinary from somewhere extraordinary.**

**Generously hopped to 60 IBUs with Yakima Valley hops, our IPA is thirst quenching, with a pronounced citrus flavor and a full malty body. Brewed with Centennial hops and 2-row Pale and Crystal malt. ABV 6%.**
