

OLD BOARDHEAD BARLEYWINE ALE

Deep and robust, Old Boardhead Barleywine Ale is a delicious brew to sip in cold or any weather; it's the perfect ale to warm you during the autumn and winter months. Crafted by Brewmaster John Harris, Old Boardhead is brewed with Two-Row Pale, and three types of Crystal Malt for a strong sweet body. It's balanced with Centennial and Crystal hops for a pleasant hoppiness and finish.

Old Boardhead is a deliciously rich Barleywine that has a spectacular depth and delicacy of flavor. Since we first bottled it in 1998, Barleywine has won seven gold and six silver medals. This beer cellars well, the brewmaster suggests you store a few bottles in a dark, cool place and be patient - you will be rewarded for your effort and restraint.

Brewers are kinda like mad scientists. We're always tinkering away with some new recipe in our lab (insert maniacal laugh here). Back in 1998, we decided to let our own mad scientist brewmaster, John Harris, unleash his brewing chops on the public. The result: our ever-rotating selection of Brewmaster Reserve beers. From barleywines to super-hopped bitters, John springs his latest invention on devoted beer lovers roughly every 10 weeks.

Enjoy!

The Brewmaster Reserve Program is designed to offer special beers, created by our Brewmaster John Harris. This is a unique program. Any questions about this program call 503-222-5343.
