

SESSION PREMIUM LAGER

CRISP, SMOOTH, REFRESHING

Session Premium Lager is a classic all-malt, pre-Prohibition style lager that reminds us what American lagers used to taste like. Named World's Best Premium Lager at the World Beer Awards, Session is brewed with American and European Hops for a wonderful Noble Hop aroma and 2-row Barley Malt with a touch of Wheat Malt for a pleasant, refreshing finish. ABV 5.1% IBU 18.
